INSTRUCTIONS — Read Carefully

Be sure you know the correct prefix and number of the Telephone wanted

Then: REMOVE THE RECEIVER FROM THE HOOK. Place the finger in the dial hole over the letter prefix of the number wanted and turn the dial till the finger touches the stop. Hold the finger against the stop until the trigger clicks. In the same way place the finger in the dial hole over each successive figure wanted and turn the dial till the finger touches the stop and the trigger clicks. Five turns complete your call and the bell of the called telephone then rings in short periods until answered. If the called line is busy, a "busy signal" tone will be heard. Hang up the receiver and wait a few minutes before calling that number again.

IMPORTANT—If you wish to call another number, or if you make a mistake in calling, hang up the receiver and take it down again before re-starting to call. Hang the receiver on the hook when through talking.

To ask for Information, call C01.

To report the telephone out of order, call as follows: Pull first the prefix letter of the telephone complained of, then the figures 02. For example:

If the prefix letter is C, call C02 If the prefix letter is M, call M02
" " " " J, " J02 " " " " S, " S02

THEY SPEAK FOR THEMSELVES

San Francisco, Nov. 21, 1909.

Dr. Wong Him,

1268 O'Farrell Street, San Francisco.

Dear Doctor—After suffering for a number of years from Bright's Disease and Stomach Trouble, I came to you for an examination and treatment. Your diagnosis of my case, by simply feeling the pulse gave me confidence and after taking your herb treatment for a few months I am entirely well and free from pain.

Faithfully yours,

HECTOR BEAULA,

1032 Kearny Street, San Francisco.

November 1, 1909.

Dr. Wong Him, 1268 O'Farrell Street, San Francisco, Cal.

Dear Sir: For several months I suffered with terrible agonies of pain in my stomach, not being able to eat or retain any food. I got no relief until I was recommended to you. After the first treatment I got relief, and now after several months' treatment of your herb medicine, I feel entirely cured of my trouble. During my treatment with you I have gained 30 pounds. I tender you my most sincere thanks, and remain gratefully yours.

MRS. E. THOMAS, Antioch, Cal.

San Francisco, Feb. 2, 1910.

Dr. Wong Him—Dear Sir: For three or four years I suffered with nervous gastritis of the stomach, kidney and liver trouble. I could not eat potatoes, bread or any starchy foods for months and was at death's door. As a last resource I applied to you. I did not care to take Chinese herbs, but was compelled to as I could not receive any relief from any other source. After a few months I was entirely cured and can eat all kinds of food, even starchy foods, for which I tender you my sincere thanks.

MRS. ELIZABETH KLUBER,

2273 Post Street, San Francisco, Cal.

THE OAKLAND CHAMBER OF COMMERCE Says:

"Every dollar expended in your home city adds to the wealth of that community; increases the value of YOUR holdings. DON'T YOU OWE IT TO YOURSELF TO TRADE AT HOME, quality and price being equal? Shouldn't you insist on home manufactures, and isn't it to your interest to patronize the locally owned Telephone Company?"

The Home Telephone Company is an Oakland Corporation.

Its only place of business is Alameda County.

The Stockholders reside there.

LONG DISTANCE

THE HOME TELEPHONE COMPANY is now offering TRANS-BAY SERVICE to its Patrons.

To call for a San Francisco Subscriber: Remove the Receiver from the hook and insert your finger in hole in the dial marked "LONG DISTANCE" and pull dial around once, then press the button.

The Long Distance operator will answer. Tell the operator YOUR number and the number of the subscriber you wish. The connection will be made at once, while you wait. Hang up the receiver when through talking.

If you do not know the number of the desired subscriber, the operator will get it for you and make the connection.

RATE

Fifteen cents for three minutes and five cents for each additional minute.

TO OUR PATRONS

You are entitled to one directory for each instrument operating under your telephone number. Our next directory will be issued July 1st. Let us know if you do not receive one. If your directory becomes soiled or damaged, call at our office for a new one or ring A 2225.

Each subscriber is entitled to the publication of one name in the body of the directory. Business telephones are given an extra listing in the classified business section under desired heading. Additional charges are made for the insertion of more than one name in the Alphabetical section under the same telephone number or for the publication of the same name under more than one heading in the classified section. Call A 1221.

Telephone bills are payable at the office of the company before the tenth of each month. Subscribers are urged to make use of the mails in paying bills. Forward checks or money orders signifying the telephone number for which you are paying, to the Home Telephone Company, Oakland, and a receipt will be mailed promptly. For cashier, call A 1213.

If your telephone does not work properly, if you wish to hear well over it, if others do not hear you well, or if the bell rings indistinctly, call A 02 at once and report in detail. It is our aim to render good and efficient service to ALL the people ALL the time, and we depend upon you to advise us promptly if any of the above conditions should exist.

MR. BUSINESS MAN

Impress upon your customers the economy of using the Home Telephone in giving orders. It saves time and money to say the least. Advertise your Home Telephone number on everything. Get the "Automatic" habit.

The Best Business Getter is the TELEPHONE

During slow business times the telephone is of more value to business men than at any other.

The hustling merchant can increase his business by advertising and providing sufficient telephone facilities, thus encouraging his customers to give orders by telephone.

Everybody uses the Automatic, and if your line is frequently busy when called, it may mean lost orders.

Let us talk to you relative to additional equipment.

OUR DIRECTORY FURNISHES AN ADVERTISING MEDIUM THAT
REACHES THOUSANDS OF CONSUMERS

NOTICE

PLEASE READ THESE INSTRUCTIONS CAREFULLY.

Be sure you know the correct prefix and number of the Telephone wanted.

Then : Remove the receiver from the hook. Place the finger in the dial hole opposite the letter prefix of the number wanted, pull the dial down till the finger touches the stop, remove the finger and let the dial turn back till it stops. In the same way, pull the figures of the number, one after the other. Then push the button, which rings the bell of the called telephone. If the called line is busy, a "busy-signal" tone will be heard. If so, hang up the receiver and wait a few minutes before calling again.

IMPORTANT

Do not fail to call proper prefix before calling numbers.

Do not help the Dial back, but remove your finger and allow it to run back of itself. By forcing it back you may make it call the wrong number.

If you wish to call another number, or if you make a mistake in calling, hang up the receiver and take it down again before re-starting to call.

Hang the receiver on the hook when through talking.

To ask for information, call AO1 and push the button.

To report the telephone out of order, call A O2 and push the button.

DIRECTORY NOTICE

In the assignment and continuance of telephone numbers, while the Company may consult the convenience and taste of the subscriber, it is necessary that the Company reserve the right to withdraw or change subscribers' numbers.

Every effort is made in the preparation of the Directory, to have it complete and accurate, but the Company cannot bear any responsibility for errors or omissions.
